38 All exhibits of vegetables must have been grown by the exhibitor in 1939 subject to conditions mentioned at the head of that department.

39 All prize money for exhibits will be mailed to winners thereof on or before the 1st day of November 1939. Payments will be made by cheque on the Canadian Bank of Commerce, Vegreville. No claim for prize money will be entertained before the above-mentioned date.

THE BROWN FAMILY, 1900

The Brown family, consisting of the father, mother, and three children, are posed in front of a simple wooden fence. The father, on the far left, is wearing a dark suit and a hat. The mother, on the far right, is wearing a dark dress. The three children are standing in the center, between the parents. The child on the far left is wearing a light-colored dress, the child in the middle is wearing a dark dress, and the child on the far right is wearing a light-colored dress. The photograph is a black and white print, and the overall tone is formal and typical of early 20th-century family portraits.

McCormick-Deering FARM MACHINES and Implements

The McCormick-Deering Grain Binder has every good feature possessed in the old McCormick and old Deering binders plus several of its own.

If you would at least cast eye on the slickest grain harvesting device ever turned out just drop in and interview ye Agent.

You know that the automobiles were never really successful until they got away from plain bearings, such as were used in the old buggy wheels, and adopted ball bearings, which

went at once to the front wheels and hinder axles. Tractors with flat grade ball bearings are practically unbreakable and run as fast as a ship. For long hauls they are the best thing in the world. That's why McCormick-Deering Tractors have them on their big crankshaft. They last for years with no adjustment or attention whatever.

More Dollars for You!

If you ship or bring your cream to Burns' Creamery The advantage of owning and milking a few cows becomes more evident every time you get one of our cheques for cream. And cows cost so little to keep! Of course, it means a little work, but the monthly cheque will be all the more welcome.

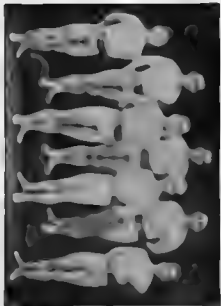

While in town, drop in and look over our modern plant in Vegreville and let us show you a De Laval Cream Separator.
